Interactive and informative meeting room displays.

Manage or book meeting rooms anytime and from anywhere View available rooms, get reminders and schedule your meetings on the fly.

View available rooms, get reminders and schedule your meetings on the fly

- Automatically or manually check into meetings on arrival.
- See agenda for the day and details about upcoming meetings
- Search for the best space by filtering
- Interactive and informative meeting room displays
- Book Meeting Rooms across multiple Locations.

Get in-depth visibility of your meeting rooms and other resources usage

VIEW UTILIZATION

EasyMeetings reporting provides you with measurable data that shows how your workspace performs when it comes to meetings and meeting rooms. See your office and meeting rooms in full context with all available data about utilization so you can optimize available spaces across the entire organization.

GET DETAILS OF WORKSPACE PERFORMANCE

Let you go deeper into meeting room activity with daily reporting of key metrics such as meetings and occupancy, no-shows and cancelled meetings, meeting duration, and attendees. When you know exactly what's going on with rooms, catering, equipment and other office facilities, you can prove usage and non-usage.

ROOMFINDER OR FLOORVIEW

15/06/2018		11:30 AM
Free	Sales Team Review - 02:00 to 03:00 pm	Room 11
Busy	Interview - 01:00 to 01:00 pm	Room 12
Free	Free	Room 13
Free	Free	Room 14

Give people at your workplace a complete floor view of your office and meeting room status at a glance. You'll increase operational efficiency, enable people to meet more effortlessly, and let your employees spend time on what's important instead of helping others with directions. With RoomFinder, you no longer have to worry about meeting room wanderers.
